

West Virginia Society for Respiratory Care Conference Exhibitor Registration Form

The West Virginia Society for Respiratory Care is sponsoring our Fall Healthcare Conference on Thursday, September 22, and Friday, September 23, 2022, to be held at The Resort at Glade Springs, Daniels, WV.

The conference is marketed to Respiratory Therapists, nurses and other healthcare providers in hospitals, home care, PFT and sleep labs, Pulmonary Rehab, durable medical equipment, and education. The purpose of the conference is to provide new information pertinent to the health care profession.

We will be hosting a networking event during the conference to engage directors and staff from around the state to discuss the ever-changing healthcare arena.

An essential component of a continuing education program are exhibits that enable participants to gain first-hand information on state-of-the-art technology, therapy, medications, publications, software, and employment opportunities.

Our conference planning committee has identified your organization as one that would be of interest to the targeted audience. We expect approximately 100 attendees at this conference. Exhibits are open throughout the conference with scheduled times during the conference for participants to visit the exhibit hall -- in a separate room from the lectures. Vendors are also acknowledged during the opening and closing of the conference.

Attached is the vendor registration form. The \$600 fee for each vendor is for the cost of vendor space only. We allow 2 staff for each vendor to be included in the cost. Vendor staff may attend the lectures and receive CRCEs approved by the AARC. An agenda will be provided prior to the conference and will be posted on our website at www.wvsrc.org.

We look forward to hearing from you and hope you will be able to participate.

If you have any questions or need additional information, please contact Cynthia Keely at 304-549-0296 or by e-mail at Cynthia.keely@gmail.com.
